

The Recovery Toolkit

The course uses group exercises to promote positivity, relaxation and calm anxiety.

Women are empowered to take more control of their own lives by setting goals and identifying positive changes within themselves.

The Recovery Toolkit was developed by Sue Penna Associates and is therefore © Sue Penna Associates.

Goal

About us

Hello we are RSACC, a charity run by and for women. We work to end rape and sexual violence by supporting and empowering women and girls in Darlington and County Durham. We offer free, safe support to all women 13 and above who have experienced any form of sexual abuse at any time in their lives.

A course to help women recover from the effect of living with domestic abuse

About The Recovery Toolkit

The Recovery Toolkit is a 12 week course which aims to provide you with all the knowledge you need to recover from the effects of living with domestic abuse. The course is designed for women who have left an abusive partner.

The course will cover:

- How your thoughts affect the way you feel
- How to increase confidence and self-esteem
- Understanding power and control in an abusive relationship
- Boundaries and trust: protect ourselves and those we love
